CLINICAL INFORMATION:

(Please include all relevant notes and test results with this referral)

CARDIAC DIAGNOSTICS

STRESS and ECHO STRESS TESTING

- Allow 30- 60 minutes; expect to walk on the treadmill for about 6 to 12 minutes.
- Wear comfortable clothing and foot wear.
- Do not eat a large meal 2 hours before your test.
- Take your usual medications unless directed otherwise by your physician
- Do not work out the same day as your test.
- If you have difficulty walking, please let the staff know.

ECHOCARDIOGRAM

- If you prefer a female technologist, please confirm with the staff before you arrive.

HOLTER AND BLOOD PRESSURE MONITORING

- Allow 20 minutes to attach.
- The recording device is returned on the date specified.
- Please check with staff about whether or not you are able to shower while wearing the device.
- Wear the device as directed for the duration of the test.
- The blood pressure monitor is not covered by OHIP – a fee will be charged at the time of set up.
